SCIENTIFIC ASSIGNMENTS AND ACHIEVEMENTS AT AICRP ON POST HARVEST TECHNOLOGY (ICAR), KOLKATA CENTRE

- Handled numerous projects as Team leader funded by Indian Council of Agricultural Research (ICAR), New Delhi.

- Principal Investigator (w.e.f. 20.02.2013) of two completed independent sub-projects and Scientist In-charge (w.e.f. 16.07.2014) of one new independent sub-project(*Livestock Produce Sector*) currently in progress under AICRP on Post Harvest technology (ICAR), WBUAFS, Kolkata Centre.
- Co-Principal Investigator (w.e.f. 20.02.2013) of one completed independent sub-project(*Livestock Produce Sector*) under AICRP on Post Harvest technology (ICAR), WBUAFS, Kolkata Centre.
- Representation of the centre as Team leader/ Scientist In-charge (Sub-Projects, Sections: *Livestock produce sector, Food Grains Sector* and *Horticultural Crops*) in various meetings, seminars, workshops, conferences etc. as organized by Central Institute Of Post Harvest Engineering & Technology (ICAR), Ludhiana, Punjab, India.
- Isolation of different microorganisms followed by its application as probiotics and prebiotics in nutritional trials in poultry ration and fish aquafeed in optimum standardized proportions for nutritional and growth benefits.
- Characterized and identified two novel bacterial strains isolated from fermented fishery product of North-East India which have been registered in **NCBI/ GenBank database** with Accession numbers **KF319057** and **KF319058** respectively.
- Advisory committee member/supervisor for research dissertations/ theses.
- Scientific expertise in the microbiological, biochemical, nutritional and organoleptic/ sensory studies and quality assessment including statistical analyses of both raw and processed fishery products with and/or without preservatives under fresh and different and modified packaging conditions.
- Scientific associate in the establishment of fish feed mill at AICRP on PHT, Kolkata Centre.
- Scientific associate in the establishment of model retail outlet for raw and processed fish at AICRP on PHT, Kolkata Centre.
- Scientific expertise in monitoring the harvest and post harvest agricultural losses from different districts of West Bengal under different farming conditions under the ICAR-MoFPI project. Involved in providing advisory and periodical skill development programmes for the technical staff of AICRP on PHT, Kolkata centre and the Field Investigators recruited at various districts of West Bengal under the ICAR-MoFPI project.
- Associated in the commercialization of various technologies generated in AICRP on Post Harvest Technology (ICAR), Kolkata Centre among semi-urban and rural entrepreneurs and stakeholders.
- Scientific expertise in monitoring the storage losses in food grains in FCI and CWC warehouses and to recommend norms under the ICAR-FCI project. Involved in providing advisory and periodical skill development programmes for the technical staff of AICRP on PHT, Kolkata centre and the Field Investigators recruited at various districts/ FCI godowns and warehouses of West Bengal under the ICAR-FCI project.
- Replacement of costly fish meal with fermented shrimp head waste meal and its standardization.
- Isolation of lactic acid bacteria from fermented fish product followed by identification by detailed molecular characterization has been performed successfully.
- Patent filing for new invention by AICRP on Post Harvest Technology (ICAR), Kolkata Centre is currently under processing.
- Have standardized ready-to-cook and ready-to-eat processed fish products for commercialization prepared from the fishery industrial wastes.
- Associated with organizing regular Training programmes for rural fisherfolk women from different NGOs and self-help groups to impart them training on skill development in preparation of ready-to-cook and ready-to-eat processed fish products so that they can implement the techniques at their own places for earning their self livelihood and also in small scale industrial sectors.

ACADEMIC ASSIGNMENTS AT ARAWALI VETERINARY COLLEGE

- Conducted regular Theory lecture presentations, Practical demonstration/ hands on training classes and Tutorial classes as per VCI curriculum for the Students of B.V.Sc. & A.H. (undergraduate) Degree course according to VCI curriculum.
- Setting up of Question papers and evaluation of Answer scripts of the Students of B.V.Sc. & A.H. degree course. Timely conduction of their Class tests, Seminar presentation by the students, Course Assignments for performance evaluation and Internal Mid-term Examinations (Theory and Practical course papers) as per the syllabus laid down by VCI followed by submission of their compiled evaluated result to COE section of the college.

- Prepared **Laboratory Practical Manuals** structured as per VCI curriculum for Course No. VMC – 211, Course Title: General Veterinary Microbiology (Cr. Hrs. 1 + 1 = 2), Course No. VMC – 221, Course Title: Veterinary Immunology & Serology (Cr. Hrs. 1 + 1 = 2), Course No. VMC – 311, Course Title: Systematic Veterinary Bacteriology & Mycology (Cr. Hrs. 2 + 1 = 3) and Course No. VMC – 321, Course Title: Systematic Veterinary Virology (Cr. Hrs. 2 + 1 = 3) respectively for B.V.Sc. & A.H. Second Year and Third Year degree course students and on Course No. VMC- 411, Course Title: Veterinary Clinical Biochemistry and Laboratory Diagnosis-I (Cr. Hrs. 0 + 1 = 1), Course No. VMC- 421, Course Title: Veterinary Clinical Biochemistry and Laboratory Diagnosis-II (Cr. Hrs. 0 + 1 = 1) respectively for B.V.Sc. & A.H. Fourth Year degree course students.
- Conducted regular Theory lecture and Tutorial classes on Dean's instruction as per VCI curriculum on the Course No. VMD – 421, Course Title: Veterinary Clinical Medicine – II (Metabolic & Deficiency Diseases), Cr. Hrs. 2 + 0 = 2 and Course No. VMD – 422, Course Title: Veterinary Preventive Medicine – II (Viral & Parasitic Diseases), Cr. Hrs. 2 + 0 = 2 respectively for B.V.Sc. & A.H. Fourth Year degree course students.
- Conducted regular Theory, Practical and Tutorial classes as per VCI curriculum on 'Microbial Biotechnology' portion in the Course No. VPB - 321, Course Title: Animal Biotechnology, Cr. Hrs. 2 + 1 = 3 for B.V.Sc. & A.H. 6th semester degree course students.
- Conducted regular Theory classes as per VCI curriculum on 'Two (02)' Course Units entitled "Biodiversity and its conservation" and "Environmental pollution" for the Course No. VAE – 221 (Non-credit), Course Title: Environmental Studies, Cr. Hrs. 4 (3 : 1) for B.V.Sc. & A.H. 4th semester degree course students.
- Conducted regular Practical classes as per VCI curriculum in the Course No. VLD-411, Course Title: Veterinary Clinical Biochemistry and Laboratory Diagnosis-I, Cr. Hrs. 0 + 1 = 1 and Course No. VLD-421, Course Title: Veterinary Clinical Biochemistry and Laboratory Diagnosis-II, Cr. Hrs. 0 + 1 = 1 for B.V.Sc. & A.H. 7th and 8th Semester degree course students.
- Acted as Examination Superintendent/ Senior Invigilator and Invigilator for Internal and External (Final) Theory examinations of B.V.Sc & A.H. Degree programme students conducted at the college.
- Acted as **CONTROLLER OF EXAMINATIONS(COE)** for Internal Theory examinations of B.V.Sc & A.H. Degree programme students conducted at the college.
- Acted as Examination hall In-charge for Internal and External (Final) Theory examinations of B.V.Sc & A.H. Degree programme students conducted at the college.

- Represented as teacher of the Department of Veterinary Microbiology towards the academic inspection teams from *Rajasthan University of Veterinary and Animal Sciences (RAJUVAS)*, Bikaner and *Veterinary Council of India (VCI)*, New Delhi.
- Member of the team from college headed by Dean for representing the Status Report of the college at *Rajasthan University of Veterinary and Animal Sciences (RAJUVAS)*, Bikaner on 27th August 2016 for sustenance of affiliation with the University.
- Looked after of the overall organizational set-up of the Department of Veterinary Microbiology and working as per the official orders issued by the Dean from time to time.
- Microbiological analysis and antibiogram of clinical and biological samples/ specimens received from the *Teaching Veterinary Clinical Complex (T.V.C.C.)* and *Instructional Livestock Farm Complex (I.L.F.C.)* of the college with its reporting.
- Microbiological analysis and quality evaluation of animal/ bird meat products received from the *Department of Livestock Products Technology* of the college.
- Acted as the Coordinator of Tracking programmes – I and II on specified topics laid down by V.C.I. for the students of 5th and 6th Semesters B.V.Sc. & A.H. degree programme with submission of the evaluation report/ grading to the Dean's office.
- Acted as the Coordinator, Veterinary Clinical Biochemistry and Laboratory Diagnosis – I & II (Course Nos. VLD – 411 & VLD – 412) for the students of 7th and 8th Semesters B.V.Sc. & A.H. degree programme with effect from 1st October, 2016.
- Preparation of semester class schedules (time-tables) for the students of B.V.Sc. & A.H. degree programme.
- Submission of regular compiled class attendance report (in percentage format) of 2nd Year and 3rd Year B.V.Sc. & A.H. students at the Dean's office.
- Convener for a Seminar in the college organized by Mars Inc., a leading manufacturer and marketer of world renowned petcare brand "PEDIGREE" on 25th February, 2016.
- Nominated on July 19, 2017 and served as Representative of Dean for acting as a Member of Board of Examiners in the Subject of *Livestock Production Management* Paper I and Paper II for Ist Year B.V.Sc. & A.H. Annual Practical Examination 2017 [vide *VCI MSVE 2016 Regulations S.No. 13(10)*].

- Recommended an Assistant Professor of the Department of Veterinary Microbiology for the position of SCIENTIST – 'B' at *Indian Council of Medical Research (ICMR)*, New Delhi.

MEDALS WON INCLUDING ACADEMIC ACHIEVEMENTS

- i) Received the First batch (1953) B.V.Sc. students Merit Scholarship (Gold Medal) for securing highest marks in 5th and 6th semesters in B.V.Sc. & A.H. course for the year 2005.
- ii) Secured First rank in M.V.Sc. in VETERINARY MICROBIOLOGY for Academic Session 2005-2006 in the Department of Veterinary Microbiology, Faculty of Veterinary and Animal Sciences, West Bengal University of Animal & Fishery Sciences.
- iii) Research paper entitled 'Analysis of Infectious Bovine Rhinotracheitis Infection In West Bengal (India)' has been accepted for presentation in the 96th Indian Science Congress for *ISCA Young Scientists Award Programme* in the section of Animal, Veterinary and Fishery Sciences, held in North Eastern Hill University, Shillong on October 17, 2008.
- iv) M.V.Sc thesis full research work has been recognized & appreciated by 'Federation of Indian Chambers of Commerce and Industries' (FICCI) Annual Awards 2008-2009.
- v) Qualified ICAR National Eligibility Test NET – 2007 (Roll No. 20270610) & NET – 2009 (Roll No. 29270149) exams in Major/ Broad discipline of VETERINARY MICROBIOLOGY and Sub-discipline of VETERINARY MICROBIOLOGY. Appeared for ARS Interview/viva-voce 2007 in the discipline of VETERINARY MICROBIOLOGY conducted by A.S.R.B. (ICAR), New Delhi.
- vi) Qualified in All India Competitive Examination for ICAR's Senior Research Fellowship/ admission in Ph.D. program 2007-2008 in the discipline of VETERINARY MICROBIOLOGY in SAUs/ CAU & CUS having faculty of agriculture.
- vii) Short-listed and selected as the only candidate for admission to Ph.D Programme Academic Session 2009-2010 in the discipline of VETERINARY MICROBIOLOGY at Birsa Agricultural University, Ranchi, Jharkhand.
- viii) Selected as 'DST-INSPIRE Fellow' (JRF-Professional) and received the "Innovation in Science Pursuit for Inspired Research (INSPIRE)" Doctoral fellowship launched by Government of India from Dept. of Science & Technology (DST), New Delhi in March, 2010 (Also published in *Hindustan Hindi* daily newspaper, P.6, dt.21-5-2010).
- ix) Received the best Research paper presentation award in 'Theme-VIII' in XXIV Annual Convention of IAVMI (Indian Association of Veterinary Microbiologists, Immunologists & Specialists in Infectious Diseases) & International Conference (January 27-29, 2010) at Indira Gandhi Krishi Vishwavidyalaya, Raipur, Chattisgarh, India.
- x) Qualified by securing first position in Walk-in interview held on 24.10.2007 at Kakdwip Research Centre of CIBA (ICAR) and appointed as Junior Research Fellow under the Department of Biotechnology, Ministry of Science & Technology, Govt. of India sponsored project on 19.11.2007 (Project code: No. BT/PR8565/AAQ/03/318/2007) entitled "Enrichment of aquafeed with cellulolytic and amylolytic microbes isolated from digestive tract of brackishwater fishes" under Dr. Debasis De, Scientist (SS) & Principal Investigator at Kakdwip Research Centre of Central Institute of Brackishwater Aquaculture (*Indian Council of Agricultural Research*), Kakdwip, South 24 Parganas, W.B- 743347 & convincingly worked there up to 31.07.2009.
- xi) Honored as Fellow of Society for Applied Biotechnology (FSAB) in the area of *Microbial Biotechnology* by the Society for Applied Biotechnology (SAB), India.
- xii) Honored with the American Order of Merit recognized by the American Biographical Institute, Inc., Raleigh, North Carolina, USA.
- xiii) Honored as Fellow, Hind Agri-Horticultural Society, India.
- xiv) Honored as Fellow, International Science Congress Association, India. *Now renamed as International Science Community Association.* ISCA Registered under *Ministry of Corporate Affairs, Govt. Of India*.
- xv) Honored as Fellow, Institute of Integrative Omics and Applied Biotechnology, India.
- xvi) Honored as Fellow, International Society of BioTechnology, India.
- xvii) Honored as Fellow, Academy for Environment and Life Sciences, India.
- xviii) Honored as Fellow, Society for Advancement of Sciences, India.
- xix) Honored as Fellow, Society Of Education, India.
- xx) Honored as Fellow, Science and Education Development Institute, Nigeria.
- xxi) Honored as Associate Member/Fellow of National Academy of Veterinary Sciences [NAVS], India.
- xxii) Honored as Fellow, Association of Pharmacy Professionals [APP], India.
- xxiii) Honored as Fellow, Vital Biotech Research & Training Institute, India (Registered Society with ISO Certification).

xxiv) Honored as Fellow, Pharmacy & Life Sciences, India.

xxv) Honored as Fellow, International Scientific Research Organization for Science, Engineering and Technology [ISROSET], Indore, India.

xxvi) Honored as Fellow, Scholars Academic and Scientific Society [SASS], India

xxvii) Honored as FOUNDER MEMBER, International Academy of Biosciences [IAB], UK.

xxviii) Honored as Member of the International Biographical Centre, Cambridge, England, LEADING SCIENTISTS OF THE WORLD 2012 by the International Biographical Centre, Cambridge, England.

xxix) Selected for Sir Isaac Newton Scientific Award of Excellence 2012 by the American Biographical Institute, Inc., Raleigh, North Carolina, USA.

xxx) Honored as Member of the International Biographical Centre, Cambridge, England, TOP 100 SCIENTISTS ~ 2012 ~ by the International Biographical Centre, Cambridge, England.

xxxi) Honored as Member of the International Biographical Centre, Cambridge, England, TOP 100 EDUCATORS ~2012~ and ~2013~ by the International Biographical Centre, Cambridge, England.

BIOGRAPHY

Dr. Subha Ganguly, B.V.Sc. & A.H. (*Gold Medalist*), M.V.Sc. (*First Rank*), NET Qualified, Ph.D. (Microbiology), Executive-MBA (HRM), D.Sc., D.Litt. was working as Associate Professor and HEAD of the Department of Veterinary Microbiology at Arawali Veterinary College (approved by VCI, New Delhi, affiliated to Rajasthan University of Veterinary and Animal Sciences, Bikaner and managed by Aastha Society, Sikar), V.P.O. Bajor, Dist. Sikar, Rajasthan, India. Now currently he is on leave up to the Year 2021 and pursuing full-time Ph.D in the subject of Veterinary Microbiology at the Faculty of Veterinary and Animal Sciences of West Bengal University of Animal and Fishery Sciences, Belgachia, Kolkata. Dr. Ganguly earlier served as Scientist (Food Microbiology) and Scientist In-charge, Sub-Projects, in the All India Coordinated Research Project on Post Harvest Technology (ICAR) at Faculty of Fishery Sciences, West Bengal University of Animal and Fishery Sciences, Kolkata, WB, India. Dr. Ganguly has handled many projects as Team leader funded by Indian Council of Agricultural Research (ICAR), New Delhi. Dr. Ganguly has characterized and identified two novel bacterial strains isolated from fermented fishery product of North-East India which have been registered in **NCBI/ GenBank database** with Accession numbers **KF319057** and **KF319058** respectively. Dr. Ganguly has represented the Department of Veterinary Microbiology as Head of the Department during annual inspection for evaluation of standard of teaching, academics and research at Arawali Veterinary College, Sikar by experts from *Rajasthan University of Veterinary and Animal Sciences (RAJUVAS)*, Bikaner regarding sustenance of the affiliation and *Veterinary Council of India (VCI)*, New Delhi for continuing VCI recognition of the college for running B.V.Sc. & A.H. degree programme respectively.
